

Rash Syndrome

The green bars in the above graph display the number of flags that were produced each month for Rash Illness. The blue line in the above graph shows the actual number of Rash Illness that was reported via the Form1 for each month. For example, in July 2003 there were a total of 1,330 Rash Illnesses were reported on the Form1, and 40 of those 1,330 reports produced a flag in the BTS system.
